

**Advertisement for a Project/Research fellow**

**UGC-DAE Consortium for Scientific Research**

**University Campus, Khandwa Road**

**Indore – 452 001**

Applications on plain paper are invited for the post of a project/research fellow in DST-SERB funded research project entitled "Understanding the Interplay between Electron Correlations and Spin-orbit Interactions in Oxides using Theory and Experiments", under the supervision of Dr. Rajamani Raghunathan.

Candidates must have M. Sc. in Physics with at least 55% marks and preferably have qualified CSIR/UGC test for NET-JRF/LS or Joint Entrance Screening Test (JEST) or GATE. Knowledge of electronic structure of strongly correlated electron systems is desirable. This position is purely temporary and for the duration of six months only.

The candidates should apply by email with full details (qualifications, achievements, age, email ID, contact number etc.) and CV to “Administrative Officer-I, UGC-DAE Consortium for Scientific Research, University Campus, Khandwa Road, Indore -452 001, Email: dev\_delta@rediffmail.com” **latest by 22 November 2020.**

The date of interview for shortlisted candidates will be informed through email/telephone. For any query regarding project, candidates may contact Dr. Rajamani Raghunathan (email: rajamaniraghu@gmail.com).
