

"Indore Centre of UGC-DAE CSR is happy to announce the resumption of user operation in a limited way with immediate effect. In this connection, following should be noted:

(1) The proposals for utilization of a facility should be submitted through an online user portal: <https://csruserportal.com/>. Please read carefully the user guide provided in the user portal.

(2) After acceptance of a proposal by facility in-charge; samples should be sent by post to: User Office (kind Att.: Facility In-Charge), UGC-DAE CSR, Indore, University Campus, Khandwa Road, Indore 452 001. It must be noted that the number of samples must not exceed as agreed by the facility in-charge. The User Office will sanitize samples and distribute to facility in-charge.

(3) Samples should be packed properly to ensure that they do not get damaged during the transit or during the sanitization process.

(4) Separate samples must be sent for utilization of each facility.

(5) It may not be possible to return samples."
